Backer heroes are pre-generated characters created by Darkest Dungeon Kickstarter backers. Each has one aggravated negative quirk and two locked positive quirks. Additionally, every hero has default skills that can be unlocked in the Guild or with Survivalist. Fixed quirks can be removed via Sanitarium, but names cannot be modified, and outfits cannot be changed in-game. However, they can be easily changed by modifying game files. Claiming backer heroes[] Backer heroes can be claimed and added to the roster by entering the Stage Coach, typing the desired hero name, and then dragging them to your list. A backer hero can be dismissed and re-claimed on the same turn. Abomination is a common trait among various beings in different fictional universes, such as Eldritch Haters and Stress Eaters. Elfangor, an alien from the Animorph series, granted his namesake animorphs the power to morph. In contrast, Hastur, a Great Old One from the Cthulhu mythos, is often referred to as "The King in Yellow" due to his connection with his half-brother Cthulhu. The author H.P. Lovecraft's first name was Howard, and he inspired much of Darkest Dungeon's theme. Other notable beings include Kagan, Mikhail Bloodrage, Rembrandt Harmenszoon van Rijn, Squalor, Thraxximundarr, Busillis, Frostbite, Okumo, Rozalin, Tootsie, 9th Alexander, Artevin, Cecil Leoran, Derion, Donovan, Droqen, and Fanghawk.
